ALLOWANCE

Claims 1-4 and 6-17 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

With respect to claims 1 and 2, the prior art record does not particularly disclose a method and a storage device comprising a data-structure wherein the register properties are stored in a data-structure according to the structure of the hardware device. The hardware device further having a heterogeneous memory, and the hardware device is built according to a structure of modules and dependent sub-modules. Furthermore, the prior art fails to teach a method of arranging the register properties of the hardware device in an array for each module and dependent sub-module.

Therefore, the prior art record fails to connect and combine of the structure of the invention as being claimed in claims 1 and 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
